### Minimum entry requirements

*Not Applicable*

### Mode of Study

The qualifications are offered via a flexible delivery strategy to support student engagement and workplace integration and RPL (Recognition of Prior Learning) options depending on the participant current skills, knowledge & experience mapped against the core competency requirements for each unit of the qualification. Participants must demonstrate a thorough understanding and application of these skill in their current activities.

### Assessment Strategy

Participants will actively participate in theory and practical training and development activities both in workshop and workplace environments. BTS Trainers will :

- Assisting with learning support
- Risk assessment and communication strategies
- Assist in LLN needs with students where applicable
- Developing a Learning strategy & Training Program
- Support the principles of training for all clients
