

HLTAID013 Provide First Aid in remote or isolated site

DESCRIPTION

This unit describes the skills and knowledge required to provide a first aid response to a casualty in a remote or isolated site over an extended period of time until medical assistance is provided, or evacuation occurs.

This unit applies to any site where medical assistance is likely to be delayed.

First aid is to be provided in line with guidelines determined by the Australian Resuscitation Council (ARC) and other Australian national peak clinical bodies.

Specific licensing/regulatory requirements relating to this competency, including requirements for refresher training should be obtained from the relevant national/state/territory Work Health and Safety Regulatory Authorities.

OVERVIEW

This course is delivered in a face to face workshop format incorporating knowledge-based theory assessment and field practical assessment activities conducted over a one to two-day period depending on the knowledge skill and competency of participants.

PREREQUISITE UNITS

Nil—However students should have a genuine occupational need and be a fit and proper person for the regulated use of poison for vertebrate pest control per State/Territory legislation.

ASSESSMENT CONDITIONS

Skills must be demonstrated working individually in an environment that provides realistic in-depth, industry-validated scenarios and simulations to assess candidates' skills and knowledge.

Assessment resources must include:

- adult and infant resuscitation manikins in line with ARC Guidelines for the purpose of assessment of CPR procedures
- adrenaline auto-injector training device
- AED training device
- placebo bronchodilator and spacer device
- roller bandages
- thermometer
- triangular bandages
- workplace First Aid kit suitable for remote locations
- workplace injury, trauma and/or illness record, or other appropriate workplace incident report form
- wound dressings

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.
