## **BSB41419** **Certificate IV in Work Health and Safety**

### **DESCRIPTION**

This qualification applies to individuals working in a work health and safety (WHS) role who provide a broad range of technical knowledge and skills, and have some limited responsibility for the output of others.

The qualification applies to those working as supervisors, WHS personnel, and working in other WHS-related roles who manage risks effectively, apply relevant WHS laws, and contribute to WHS within the workplace in known or changing contexts with established parameters.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.
