

BSB51319 Diploma of Work Health and Safety

DESCRIPTION

This qualification reflects the role of individuals coordinating and maintaining the work health and safety (WHS) program in an organization.

The qualification applies to supervisors and managers who apply a substantial knowledge base and well-developed skills in a wide variety of WHS contexts.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

OVERVIEW

This course is delivered in a face to face workshop and industry field placement format incorporating knowledge-based theory assessment and field practical assessment activities conducted over a day depending on the knowledge skill and competency of participants.
